STEAM FIRE ENGINE

READY FOR USE. Tryout at Rockwell Street on Wednesday Afternoon Proved Satisfactory.

Wednesday afternoon the Metropol-itan steam engine at the Central Fire station was given a thorough test at the hydrant located at the corner of Rockwell street and McKinley av-enue. As it is rated at 750 gallons a minute, the engine did this very satisfactorilly, demonstrating what good use it will be in case of a big fire. Chief Stanton says the engine is ready for ction and will certainly give good service. As there are no horses to draw the engine it would be necessary to transport it by means of auto. The engine since the acquisition of the auto pumper does not respond to ordinary fires but will be kept in shape for use when needed.

Cocoanut Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified cocoanut oil (which is pure and en-tirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair. Simply moisten your hair with water and rub it in. One or two tea-spoonfuls will make an abundance of at the rate of four per cent, per an-num, payable on and after the fif-teenth of September. rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulsified cocoanut oil at most any drug store. It is very heap, and a few ounces is enough to everyone in the family for months
